

Virginia Podiatric Medical Association

Summer Scientific Meeting

August 12-15, 2021

Virginia Beach, Virginia

Dear Doctor,

The 2021 Summer Scientific Seminar will be held at the Marriott Virginia Beach Oceanfront, August 12-15, 2021. We are looking forward to returning to the beach!

The Marriott Virginia Beach Oceanfront is located at 4201 Atlantic Avenue, Virginia Beach, Virginia 23451. Make sleeping room reservations by calling 757-. The group rate for this meeting is \$299 per night plus taxes and fees. Oceanview guestrooms are available for \$299 per night plus taxes and fees. Rates are available three days prior to and following the meeting dates. The deadline for reservations is Friday, July 16, 2021, *or when the block is filled*.

We are still confirming the lecture schedule, but many of our esteemed speakers have agreed to return this year. We have already confirmed: Dock Dockery, DPM, Mark Hofbauer, DPM; Michael Campbell, MD, Marc Benard, DPM; Rodney Dillman, JD, and David Freedman, DPM. We will update the schedule as more lectures and speakers are confirmed.

General sessions for Doctors of Podiatric Medicine will begin at 8:00 am on Thursday, August 12, and the meeting will adjourn at 1:00 pm on Sunday, August 15, 2021. To record attendance, DPMs will be required to have their name badges scanned at the beginning of each morning and each afternoon session. Failure to follow the posted scanning times may result in non-certification of continuing education hours. Attendees may claim continuing education contact hours only for those contact hours actually attended. The Virginia Podiatric Medical Association has been approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine.

Registration fees for this meeting include continental breakfasts, morning and afternoon refreshment breaks and lunch on Thursday, Friday, and Saturday for the Seminar attendee only. Guests, spouses, and children may be registered to participate in meal functions for a nominal fee.

Early Bird rates are good through July 16, 2021, after which the rate will increase! Refunds, minus a \$50 administrative fee, will be available, with written notice provided, until July 16, 2021. No refunds will be offered or issued after that date.

Please encourage your equipment and pharmaceutical suppliers to join us as exhibitors. Ask your local representatives to contact the executive director for additional information.

Those with questions may contact Jean Kirk, Executive Director, at the association office at (877) 406-8762 or by email to vpma@uptonassociates.com.

We look forward to seeing you in Virginia Beach!

Anthony Cavallo, DPM, Seminar Chair

CONTINUING EDUCATION INFORMATION for DOCTORS OF PODIATRIC MEDICINE

INTENDED AUDIENCE:

The intended audience for this activity includes Doctors of Podiatric Medicine, Podiatric Medical Residents, Podiatric Medical Students, and Podiatric Medical Assistants.

NON-DISCRIMINATION POLICY and ACCOMMODATION

No individual will be prohibited from registering or attending the Virginia Podiatric Medical Association's Summer Scientific Seminar based on race, ethnicity, religious affiliation, national origin, sexual orientation, or disability. Those who require special accommodation to attend are encouraged to contact the executive director to make appropriate arrangements.

CANCELLATION:

Early Bird rates are good through July 16, 2021, after which the rate will increase! Refunds, minus a \$50 administrative fee, will be available, with written notice provided, until July 16, 2021. No refunds will be offered or issued after that date. In the event the seminar is cancelled due to events beyond our control, attendees will receive a full refund within 60 days of the notice of cancellation.

FEES:

LEARNING OBJECTIVES:

Attendees of the Virginia Podiatric Medical Association's Summer Scientific Seminar will:

1. Become familiar with the clinical tools used to diagnose, evaluate, and manage foot and ankle pathology.
2. Understand common pathologies of the foot and ankle and the systemic medical conditions that may be associated with such pathologies.
3. Improve their clinical and surgical management of the high-risk diabetic patient; including a multi-disciplinary approach to limb salvage.
4. Improve their surgical knowledge and skills with cohesive lectures and workshops.
5. Have an increased knowledge of both recognition and treatment of various traumatic injuries of the foot and ankle.
6. Understand various deformities of the foot and ankle that may cause gait abnormalities and pain such as the adult acquired flat foot and neurologic foot. Both conservative and surgical approaches will be discussed.
7. The attendee will be exposed to ethical concerns regarding the practice of podiatric medicine and surgery and opioid prescribing practices.
